Pool Player Policy

Last update 8/30/2009

Review the entire policy and the club pool player restrictions in the rule book PDF at www.mohockeyyd.org/MoHockeyRules.jsp

Pool Players may not try out for another club until the pool player form has been properly completed, the process followed and the form properly approved.

1. The player **MUST** be registered with their in district club prior to applying for Pool Play
2. Must obtain an IMR form or USA Hockey confirmation page (obtained from on-line registration) to take to try-outs. Your PR# (Participant Registration #) is found on your current USA Hockey Participant Card; if you do not have a card you may obtain your PR# by contacting your current association/club registrar or by contacting our USA Hockey Associate Registrar, Debbie Hellwig. High School players that registered on-line may obtain an IMR confirmation number at <https://www.usahockeyregistration.com>
3. Request the Pool Player form from the Missouri Hockey Registrar. Contact information is below.
4. Player must complete the player profile below and sign. Xerox copies of the form or forms created for use in a proceeding season will not be accepted. Once the club accepts the player under the conditions of the Pool Player Form that club must notify the YD registrar immediately so that the player may be removed from the pool.
The players current club Registrar must sign the form indicating the club does not have a AA team or the player was not selected to play on their AA team(s).
5. Signed form is returned to player.
6. Player sends the form via fax, scan and email or US mail to the Missouri Hockey Registrar for registration verification. Contact information is below.
7. The players current club Registrar will be contacted to verify the player was not selected for the clubs AA team(s) or they are not fielding a AA team.
8. The form **MUST** be approved by Missouri Hockey Registrar to be valid. Approval will be emailed to player, players home club registrar, Youth Division AA Commissioner and Youth Division President.
9. Pursue openings with other clubs. Club contact information can be found on www.mohockeyyd.org. Upon finding an opening/try-out with an out of district club; present this form to that club's registrar.
10. The club that accepts a pool player **MUST** authorize and send the original form to the Missouri Hockey Registrar.
